The Chinese film industry had lost US billion by March 2020, having closed all its cinemas during the Lunar New Year period that sustains the industry across Asia.2 North America saw its lowest box office weekend since 1998 between March 13–15.3 Demon Slayer: Mugen Train, the highest-grossing film of 2020, earned 3 million worldwide.4 It was the first time since 2007 that the top-grossing film of a given year had earned less than billion and the first time a non-American film was the top-grossing film of the year.5

Peter Rabbit 2: The Runaway was initially scheduled to be released in the UK and the US in late March and early April respectively, but due to uncertainty over the outbreak, the film was postponed to early August before being postponed once again to December 11, 2020, and January 15, 2021, respectively.87 Sony Pictures, the films production company, said that the changes internationally were because of coronavirus fears, with the US release moved in sync over worries of pirate copies and because the rival childrens film DreamWorksUniversals Trolls World Tour had moved its release date earlier, to the same weekend on which Peter Rabbit 2: The Runaway was initially planned to be released.88 Trolls World Tours forward rescheduling takes it to what would have been No Time to Dies weekend both are distributed by Universal, and leaves it as the biggest film in April.89

On June 5, 2020, Governor of California Gavin Newsom announced that film and television production could resume in the state beginning June 12, provided that conditions permit and approval is received from a countys public health officials.170 Newsom incorporated key guidelines from the task forces report.171 The next day, a group of unions including the Directors Guild of America, the International Alliance of Theatrical Stage Employees, the

International Brotherhood of Teamsters, and SAG-AFTRA published a 36-page report detailing safety protocols agreed upon for union film and television productions, including regular testing of cast and crew members, closed sets, access zones, shooting limited to ten hour sessions, and all productions requiring an on-set health safety supervisor.172173 On February 9, 2021, it was announced that Blue Sky Studios, an animation studio which had been acquired by Disney during its purchase of 21st Century Fox, would be closed due to the economic impact of the pandemic on their business operations. The closure of Blue Sky also resulted in its cancellation of a film adaptation of Nimona, which was reported to be 75% complete
